www.TMSASoftball.org

TMSA is a non-profit Cobb County Volunteer Service Organization offering recreational, all-star, and travel tournament softball teams in both Fast and Slow Pitch varieties for girls ages 5 through 19. Through the support provided by team and park boosters, we are able to offer quality programs and provide necessary equipment, supplies, and training while maintaining and updating our facilities to ensure our players have everything necessary to be successful. Our players learn the importance of setting goals, the satisfaction of working hard to achieve goals, good sportsmanship, and team work. Thus becoming a valued park sponsor will maintain a long tradition of providing a worthy service to the girls of this area.
